Presented by the

SAN ANGELO MUSEUM OF FINE ARTS

The **San Angelo Museum of Fine Arts** opened in 1985 in the historic 1868 Quartermaster Building at Fort Concho National Historic Landmark. The museum's current building opened in 1999 and has received international acclaim for its distinctive architecture. SAMFA has been nationally recognized for its dedication to the community and received the National Medal for Museum and Library Service in 2003.

Achieved through its collections, exhibitions, and programs, SAMFA's mission is to serve the general public in San Angelo, the Concho Valley, and the state of Texas. The museum also manages CASETA, the Center for the Advancement and Study of Early Texas Art, and is currently leading the development of a Texas Commission on the Arts designated 200-acre Cultural District.

Among the Permanent Collection's areas of concentration, SAMFA has established a distinguished collection of contemporary American ceramics, as well as ceramics from all over the world. Other focus areas of the collection include early and contemporary Texas art, Spanish Colonial and 19th century Latin American art, and American manufactured glass. The museum's exhibit program is encyclopedic.

“Not just art on our walls but in our lives”

SAMFA is accredited by the American Alliance of Museums. It is open to the public Tuesday through Saturday from 11 am to 4 pm and Sunday from 1 pm to 4 pm, closed Mondays, major holidays, and between exhibits. Admission is currently FREE to everyone. The museum is located at:

Welcome to EnPleinAirTEXAS!

Join us in celebrating San Angelo's designation as the Visual Arts Capital of Texas! EnPleinAirTEXAS (EPAT) brings 35 nationally acclaimed artists to town to paint 'en plein air' – the French term for painting outdoors. Watch as artists bring a personal artistic experience to anyone who stops to observe and meet them!

The 2022 Competition Artists will spend the first 3 days of the event scattered across West Texas, hosted on 18 ranches. They will paint scenes most of us will never get to see in person, dealing with the unpredictable West Texas weather and perhaps some inquisitive cows as well! Want an early peek at those paintings? See page 2.

Artist Brienne Brown with her 'fans'

Come experience the magic of one of the premier plein air painting competitions in the country! Meet the talented 2022 artists of EPAT arriving from 17 states, many whom of have never painted in Texas or been on a ranch. Find them at our International Waterlily Gardens, around historic downtown, and even paint with them on Saturday! Altogether, close to 300 remarkable paintings will be for sale at the weekend exhibit.

See details of all the week's activities on the following pages!
Your painting purchases support the San Angelo Museum of Fine Arts educational programs AND the artists.

Selection Juror - Michael Grauer

This last June, Michael Grauer sifted through hundreds of painting photos by top plein air artists from 27 states and three countries. He selected thirty artists to join last year's top winners and compete in the 9th annual EnPleinAirTEXAS.

A Kansas native, Mr. Grauer holds a Bachelor of Fine Arts from the University of Kansas, Master of Arts in Art History from SMU, and Master of Arts in History from West Texas A&M.

Grauer worked at the Smithsonian American Art Museum, before becoming curator of art and Western heritage at the Panhandle-Plains Historical Museum, Canyon, Texas, from 1987 to 2018.

He joined the National Cowboy & Western Heritage Museum in Oklahoma City in September 2018 as the McCasland Chair of Cowboy Culture and Curator of Cowboy Collections & Western Art. He has curated over 150 exhibitions on Western art, culture, & history and authored 65 publications, including *Rounded Up in Glory: Frank Reaugh, Texas Renaissance Man*, & *Making a Hand: The Art of H. D. Bugbee*. It received the Western History Association Wrangler Award for Best Western Art Book for 2020.

Mr. Grauer lectures on art, history, and culture across the American West and spoke at last year's EnPleinAirTEXAS event on "100 years of Plein Air painting in Texas." We are delighted to welcome one of the leading western art historians in the United States as our 2022 Juror!

Awards Judge - Michael Obermeyer

We welcome Michael Obermeyer, our 2022 Awards Judge. He will present over \$35,000 in awards at the 9th Annual STAMPEDE Oct. 28th.

A Southern California native, Obermeyer grew up painting and received his BFA in Illustration at California State University-Long Beach. During a 20-year career he worked with Disney Studios, the Anaheim Angels, and he has paintings in the U.S. Air Force Historical Art Collection at the Smithsonian and the Pentagon.

In 1997, he participated in his first Laguna Beach Festival of the Arts and in 2015, was presented a "Lifetime Achievement Award" by Laguna Plein Air Painters Association. Michael serves as the President of the prestigious California Art Club and is a Signature Member of both the California Art Club and the Laguna Plein Air Painters Association.
